### Isle of Wight MP steps down after 'gay danger remark'

A response to a BBC news report

Mr Andrew Turner, a Conservative party MP, is absolutely correct in what he said but such is the power of the sodomite lobby and the willingness of society to accede to its howls that his comment is treated with the opprobrium in keeping with the condemnation directed at a Hitler!

Mr Turner is reported as having said at a college in Newport that "homosexuality is wrong and dangerous to society". For this he has been attacked by sodomites and their supporters. Mr Turner is reported as having said that what he said was "to do with religious opinion".

Such an opinion is not acceptable in today's society. The Conservative leader of the Isle of Wight Council, said: "It is very disappointing to hear such comments from someone I know and it is a shame for him to end to his career in this way, but what he said was unacceptable."

The Isle of Wight 'Pride' sodomite group said: "Any person who makes such a statement in a public forum as our MP is dangerous."

"Disappointing", "unacceptable", "dangerous". This is the world's opinion of what is true in God's opinion!

There is room in this world for every opinion but that of God's! Just where is 'free speech' in this land?

The Bible teaches that sodomy is most certainly wrong and dangerous to society. It will bring the judgment of God down upon any society which promotes such wickedness, as does the United Kingdom.

The concept of the "Judgment of God" is laughed at today. But not for long!

It was laughed at by citizens of Sodom long, long ago. But their laughter was soon turned to cries of terror and despair.

"And Lot went out, and spake unto his sons in law, which married his daughters, and said, Up, get you out of this place; for the LORD will destroy this city. But he seemed as one that mocked (was merely joking) unto his sons in law," Genesis 19:14.

However, not to put it lightly, the laugh was soon seen to be on them. Lot spoke the truth when he gave such a warning. He, though stained by his mingling with such a society, nevertheless escaped the judgment of God by obeying the warning of the angels.

The destruction which soon followed God's warning is a clear indication of just how "dangerous" sodomy is for those who engage in it and for those who tolerate it.

God and His judgment is a forgotten, a despised belief today. But the world will yet learn that it is wrong in rejecting such a concept.

"And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; and said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: for the great day of his wrath is come; and who shall be able to stand?" Revelation 6:15-17.

Almost daily we see incidents in which people bring upon themselves great injury and suffering and even death when they ignore the warning notices on the roadside, at railway crossings and many other places.

There is a universal ignoring of the many warnings God has issued on the danger that will follow man's defiance of His law and rejection of His Christ, the Lord Jesus.

"Because there is wrath, beware lest he take thee away with his stroke: then a great ransom cannot deliver thee," Job 36:18.

"But after thy hardness and impenitent heart treasurest up unto thyself wrath against the day of wrath and revelation of the righteous judgment of God," Romans 2:5.

"For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness," Romans 1:18.

"Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience," Ephesians 5:6.

The world will yet discover the truth of God's Word and the kindness of those who sought to warn the world to forsake its sin and "flee from the wrath to come!"

This incident serves to underscore the words of the Lord Jesus and of which every believer should take note.

"But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all. Even thus shall it be in the day when the Son of man is revealed." Luke 17:29-30.

Let all note the words of Peter.

"And turning the cities of Sodom and Gomorrhah into ashes condemned them with an overthrow, making them an ensample unto those that after should live ungodly," 2 Peter 2:6.

We salute Mr Turner for his courage!
