Lisburn City Council provides funds for sodomites

The following is the response to a "Freedom of Information Act" question supplied by Lisburn City Council. As can be seen £1340.50 was given by the Council for the promoting of the sodomite lifestyle.

Good morning Mr

Thank you for your Freedom of Information enquiry of 22nd July 2011. I can confirm that Lisburn City Council provided funding, through the Council's Culture and Identity Grant Scheme, to the Lisburn Lesbian Gay Bisexual and Transgender Group in the following years.

*2009 - £750.00
2010 - £590.50*

I hope this answers your query.

*Kind Regards
Claire Bethel
