Strabane District Council pays nearly £14,000 to sodomite organisations since 2007.

Another district Council, Strabane, has disclosed the amount that it has paid to sodomite organisations over the last few years. It totals out at nearly £14000.

Just how much public money has been paid over to promote this wickedness and why are unionist councillors sanctioning these payments???

Dear Mr

Further to your FOI request, please find Strabane District Council’s response as outlined in attachment.

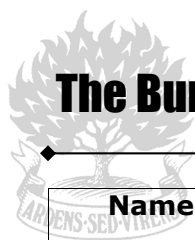

I trust this is to your satisfaction, however if I can be of any further assistance, please do not hesitate to contact me.

Kind regards

Janene Galloway
Administrative Assistant
