### **Statement from the Sovereign Grace Advent Testimony on the recent decision by the United Kingdom to withdraw from the European Union**

#### **Europe in Bible Prophecy**

The subject of Europe is very prominent in the news at present and that interest has only increased not diminished since the outcome of the EU referendum has been decided.

We are constantly being told by all political leaders what this result means?, what is going to happen now? and where it will all lead? It seems that everyone has an opinion to give or a statement to make on the subject! All of which has only led to greater confusion, division and uncertainty.

But the question that should concern us as Bible believing Christians is - What saith the Scriptures? What does the Word of God have to say on the subject of the future of Europe? That should be our response to every situation and subject in life and our nation's membership of the European Union should be no different.

Despite what many think or say, even many Christians, the Word of God has much to say about the future of Europe and the Nations around the Mediterranean Sea. God has not left us in the dark with regard to these things. In the prophetic Scriptures God has given us a full description of things to come.

In summary - this Union of Nations will:

- Bring to a close the Times of the Gentiles spoken of by the Lord Jesus (Luke 21:24).
- It will be a revival of the old Roman Empire (Daniel 2:28, 33, 41- 43 & 7:24).
- It will cover the same area around the Mediterranean Sea as the old Roman Empire. An area known to students of Prophecy as the Roman Earth or the Prophetic Earth (Daniel 7:2 & 3 & Luke 2:1).
- When it reaches its final formation it will be divided into ten regions (Daniel 2:41 & 7:24).
- It will ultimately become the Kingdom of the Anti-Christ and only those who take his mark will be able to buy or sell (Revelation 13:15 -17).
- It will be destroyed by the Coming again of the Lord Jesus (Dan 2:44 & 45).

The Sovereign Grace Advent Testimony (SGAT) has borne witness to this Prophetic Truth for almost one hundred years without any need to revise its message or outlook as world events have changed.

In the light of all that the Lord has revealed to us about the future of Europe we believe that this is something of which no Christian would want to be a part.
