Irish Republic defies God and embraces sodomy!

The Irish Republic has become the first country in the world to embrace sodomite 'marriage'!

This has been done in defiance of God's Word. That, of course, is hardly surprising since the people of the land have been under the heel of Romanism for centuries and have thereby been taught to pay scant heed to what the Bible says, irrespective of the allegiance to the Word of God that the Church of Rome professes.

FALSE RELIGION

Romanism is a false religion which masquerades as the religion of the Lord Jesus Christ. It has indoctrinated the Irish people in its falsehoods for centuries. What a curse its dark shadow has been to Ireland!

But Ireland has not only had to bear the burden of false doctrine instigated by Rome, but the Irish people have been plagued by the licentious vileness of her 'bachelor' priests, many of whom used their position to molest and violate hundreds of children within this generation and countless multitudes in the centuries of her past dominance.

In reaction to that and as a direct result of it, the majority in the Irish Republic have supported the legalising of sodomite marriage.

VOTING FIGURES

The voting figures tell as sorry tale.

* A total of 1,201,607 people (62.1%) voted 'Yes' and 734,300 (37.9%) voted 'No'.

* One constituency voted No. That result was in Roscommon-South Leitrim and it saw over 51% of voters there reject the marriage referendum proposal.

* The tightest margin was in Donegal South - West where it was Yes by just a whisker, with only 33 votes separating the sides there.

* More people voted in the same-sex marriage referendum than in any other since the foundation of the State, reflecting the growth in the size of the electorate, and the substantial numbers who applied for late registration.

COALITION

The campaign for a 'YES' vote saw a telling coalition forming. The following picture illustrates that.

The caption on the RTE news site reads "Sinn Féin's Gerry Adams, Panti Bliss and Minister Frances Fitzgerald pose for a selfie at Dublin Castle."

The painted 'female' in the middle is Rory O'Neill, who performs as a 'drag queen'!

There you have it! The man who heads up Sinn Fein, the armed wing of which mounted a 30 year terror campaign in Northern Ireland, which resulted in hundreds of people, both Roman Catholic and Protestant, murdered and in thousands terrorised, robbed, injured,

kidnapped and taken away and murdered and secretly buried, is at the heart of this "YES" vote.

What an unholy caucus!

UN

The Secretary General of the United Nations Ban Ki-moon has praised the result of Friday's referendum on same-sex marriage. Speaking after he accepted the Tipperary International Peace Award in Co Tipperary he said Ireland's strong commitment to human rights was seen in the same-sex marriage referendum.

"This is a truly historic moment: Ireland has become the first country in the world to approve marriage equality in a nationwide referendum.

Martin McGuinness, Adams' right-hand man, said the marriage equality vote should be seen as a measure of the progress and maturity of Irish society and people increasingly embracing equality, human rights and respect.

So the "blind lead the blind" and a ditch, a very deep ditch awaits them all. (Matthew 15:14.)

Please pray for the Bible-believing minority which will feel even more isolated as a result to this national decision. Pray that many saddened, alarmed and troubled souls will seek out God's Word and those who preach it and embrace the Truth of God in these evil times.

"The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgment to be punished: but chiefly them that walk after the flesh in the lust of uncleanness, and despise government (God's authority). Presumptuous are they, selfwilled, they are not afraid to speak evil of dignities," 2 Peter 2:9-10.
