Letter to the Queen

Dear Madam,

The headlines regarding Your Majesty's statement about the refusal by some of the covid vaccine is more than disappointing.

The Queen says Covid vaccine hesitant people 'ought to think about others rather than themselves'

I am sorry Your Majesty, but you are very wrong in the matter of why some refuse the present vaccine offered by the Government!

I know Your majesty does not initiate such 'interventions', but rather they are engineered by your 'entourage of government advisors'.

There are those, BECAUSE they are thinking of others, who refuse the vaccines presently offered by your government. They are thinking of the aborted unborn child whose cells were used in the manufacturing/testing of the vaccine.

As far as they are concerned, to take the vaccine constitutes an acceptance of abortion and the use of foetal material by pharmaceutical companies.

That they can never do.

All mankind is required to look beyond today and tomorrow when considering such issues. All are required to bear in mind that day that Satan and his minions would have all to forget - the day mentioned many times in God's Word: "But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment. For by thy words thou shalt be justified, and by thy words thou shalt be condemned," Matthew 12:36-37.

How much better our lives would be if we ALL were to live in the light and knowledge of that 'day of judgment'!

I have the honour to be, Madam,

Your Majesty's loyal subject,

Rev Ivan Foster (Rtd)
