Another gospel programme planned for Radio Star Country

Rev. Ivan Foster preparing tapes for broadcasting.

The Let the Bible Speak gospel broadcast from Kilskeery, aired over Radio Star Country on Medium Wave 981 is to be extended to two 15minute programmes per week.

At present, a 15-minute programme goes out each Monday morning at 10 o'clock. From Monday, July 5th, another programme will go out at 9 o'clock in the evening. The new programme will have an evangelistic emphasis, whereas the present programme is more a systematic study of the Gospel of Mark.

Rev. Foster, the programme presenter, has been very much encouraged by the letters and messages that he has received from

Christians, indicating how much the broadcast is enjoyed. Financial support continues to come in and it was the measure of support, coupled with the requests to consider enlarging the witness that prompted him to take this further step of faith.

The radio station has been paid for the two programmes until the end of September.

Please pray for this outreach that God will bless His Word to the hearts of sinners and believers and that He will continue to undertake for the financial needs of the two programmes.
