Letter to NI Secretary of State regarding Westminster's plan to impose unlimited abortion on Northern Ireland

Dear Sir,

Doubtless others will take up the issue of the lawfulness or otherwise of you acting as Westminster would have you act on this matter.

I wish to state that which is much more clearly defined than man's laws on this subject.

I refer to what the Lord says about abortion.

Aborting of the unborn is murder in God's eyes.

"If men strive, and hurt a woman with child, so that her fruit depart from her, and yet no mischief follow: he shall be surely punished, according as the woman's husband will lay upon him; and he shall pay as the judges determine. And if any mischief follow, then thou shalt give life for life," Exodus 21:22-23.

It is clear that the slaying of the unborn is a capital crime!

How much more wicked and culpable is the that deliberate killing of the unborn that you are about to impose on Ulster.

Our nation in the past universally accepted this truth and legislated accordingly.

Sadly, modern notions, born of the departure from God that is evident across the world, have overturned the former laws.

However, God's Law remains the same.

As a minister of the gospel, I must warn you against putting your hand to this matter. There will be a most severe consequence from the hand of God should you do so!

Herod suffers the consequences of his wickedness to the infants of Bethlehem still, for the penalty of such defiance of God is ETERNAL punishment.

All of us need God's salvation from sin, Mr Secretary. I urge upon you the words of the Bible.

"For all have sinned, and come short of the glory of God," Romans 3:23.

"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord," Romans 6:23.

Most sincerely,

Rev Ivan Foster (Rtd).
