### Archbishop's sympathy with pornography

**The Archbishop of  
Wales, Dr. Rowan  
Williams**

The Archbishop of Wales and Archbishop-elect of Canterbury, is an member of the editorial board of **Theology & Sexuality** which is "the **Journal of the Centre for the Study of Christianity and Sexuality**, an international journal functioning primarily as a resource for those undertaking theological study of sexuality and gender issues."

Amongst the more mentionable titles of articles in the current issue of the journal are: "A Place for Porn in a Gay Spiritual Economy" and "Searching for Religious Eroticism." What hope is there for the land when those holding such perverted views hold high office in Christendom? How can any believer remain in such apostasy as that into which the Church of England has fallen?
