### **The cruel and obscene wickedness about to be imposed upon Northern Ireland.**

Here is a brief quote from an article in the 'Belfast Telegraph' of 19th October 2019.

*"Northern Ireland will be forced to scrap its Victorian-era abortion laws and legalise same sex marriage unless its two main political parties set aside their differences within the next 24 hours.*

*Earlier this year, Westminster passed a bill that would bring Northern Ireland into line with the United Nations' rules on human rights, with the condition that this would only come into effect if the Northern Ireland Executive had not been restored by October 21."*

On the day in which this legislation comes into power, I firstly wish to underscore:

#### **THE AWFULNESS OF THIS LEGISLATION**

The spirit of this legislation and of the mindset of those who initiated it and those here in Ulster who welcome it, is that of the Egyptian Pharaoh and his people who carried out the slaughter of all Hebrew male children. "And Pharaoh charged all his people, saying, Every son that is born ye shall cast into the river, and every daughter ye shall save alive," Exodus 1:22. In Egypt's river was the notorious 'Nile Crocodile', held sacred by the Egyptians. Doubtless, this cruel act of infanticide was seen as a holy and venerable act, even as abortion is seen today!

The spirit of this new legislation is akin to the butchery of the innocents which Manasseh oversaw in the days of his unregeneracy. "Moreover Manasseh shed innocent blood very much, till he had filled Jerusalem from one end to another; beside his sin wherewith he made Judah to sin, in doing that which was evil in the sight of the LORD," 2 Kings 21:16.

Again, we see in this legislation a repeat of the cruelty of Herod who commanded the butchery of the innocent in Bethlehem. "Then Herod, when he saw that he was mocked of the wise men, was exceeding wroth, and sent forth, and slew all the children that were in Bethlehem, and in all the coasts thereof, from two years old and under, according to the time which he had diligently enquired of the wise men," Matthew 2:16.

It also embodies the perverse sensuality of the inhabitants of Sodom. "Behold now, I have two daughters which have not known man; let me, I pray you, bring them out unto you, and do ye to them as is good in your eyes: only unto these men do nothing; for therefore came they under the shadow of my roof. And they said, Stand back. And they said again, This one fellow came in to sojourn, and he will needs be a judge: now will we deal worse with thee, than with them. And they pressed sore upon the man, even Lot, and came near to break the door," Genesis 19:8-9.

Man, for all his vaunted 'social progressiveness' and 'tolerant permissiveness' is still the bitter hater of all that God decrees and of those who would seek to honour and obey His laws!

I wish to note secondly:

#### **THE AUTHORS OF THIS LEGISLATION**

Conor McGinn, MP

The legislation on abortion and same-sex marriage that is about to be enacted from October 21st here in Northern Ireland was brought in by MPs at Westminster and it means abortion will be decriminalised. These changes are a result of the efforts of two MPs in Westminster, Labour Party members Conor McGinn and Stella Creasy. This amendment, passed by a resounding majority (383 to 73) from all parties in Westminster, excepting the DUP, came about by coincidence and cunning! McGinn, who was a Communist in his youth and is now termed 'a Roman Catholic', was born in Camlough, near Newry in Northern Ireland. His father was a Sinn Fein councillor. That says enough! Sinn Fein's

endorsement of the terrorism of its 'military arm', with the slaughter of many hundreds of men, women and children, is indicative of the spirit of that organisation. It is not surprising then that one nurtured in the philosophy of this evil system should be to the fore in promoting the twin evils of abortion and 'same-sex marriage'!

After the vote, McGinn said of the 'same-sex marriage' change in the law: "Having been let down so many times before, LGBT people in Northern Ireland can now look forward to enjoying the same rights as everyone else in the rest of the UK and on the island of Ireland." What McGinn is saying is that those who choose to live a life of perversion have now the legal right to sin and defy God's law, once forbidden to them in keeping with the Bible's teaching! What a detrimental step that is for Ulster!

Thirdly, consider:

### THE AFTERMATH OF THIS LEGISLATION

I understand that the abortion legislation is 'unregulated'. That must mean that there are no restrictions regarding time or circumstances when an abortion may be performed. A statement by TUV leader Jim Allister QC, MLA, at the times of the matter being debated in the House of Commons, back in early July of this year said:

*"The proposals which passed their first hurdle today are quite simply bad law. The law as it currently stands protects both the unborn child and the mother. Decriminalising abortion would leave the unborn child totally defenceless up to the point of birth. Those who argue so passionately about the dangers of women resorting to "back street abortions" if they cannot receive abortions on the NHS are now pushing legislation which decriminalise those very back street abortions.*

*"At a time when Northern Ireland is crying out for government to address day to day issues in health, roads and education, anti-life zealots choose to push legislation on Northern Ireland and indeed the entire UK which removes protection from the most vulnerable".*

### BBC report

There appeared the following statement on [the BBC News site](#) back on 8th October.

*"The government has published guidance for healthcare professionals on abortion law in Northern Ireland.*

*The new guidelines cover the period from 22 October to 31 March 2020.*

*They set out what will happen following changes to the law after 21 October, if the NI Executive is not restored.*

*The guidance states that no criminal charges can be brought against those who have an abortion, or against health care professionals who provide and assist in an abortion.*

*The government said it has made arrangements to support women resident in Northern Ireland wishing to access services under the existing travel scheme.*

*In the interim period, abortions in cases of "fatal or serious fetal anomaly" may be carried out.*

*Health professionals will be given information about funded services in England.*

*If a woman approaches them and is considering an abortion, they should give her the number for the Central Booking Service in England or call the helpline on her behalf.*

*Also from 22 October all the travel and accommodation needs of women will be funded, regardless of income."*

It is encouraging to read that hundreds of healthcare workers are opposed to this new law but we must recognise that such opposition will not deter those bent on imposing this wickedness upon us.

It is a most backward step that has been taken in both the matters of abortion and same-sex marriage. It brings us back to 'pre-Christian times'! It is the morality of pagan Babylon, Greece and Rome that has been enacted. The 'sanctity of marriage and of life' are obliterated at a stroke by what has been imposed upon Ulster at the behest of those who can only be called 'blinded fools' in the House of Commons.

### Noah

In the days of Noah, "GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. . . . The earth also was corrupt before God, and the earth was filled with violence. And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth," Genesis 6:5, 11-12.

Did not the Saviour tell us that such wickedness would return to the earth in the days just prior to His return? "But as the days of Noe were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark, and knew not until the flood came, and took them all away; so shall also the coming of the Son of man be," Matthew 24:37-39.

### Violence

The word 'violence' in Genesis 6:11, is used in Psalm 74:20 in such a way as to tell us the nature of this violence. "The dark places of the earth are full of the habitations of cruelty." The word 'cruelty' is the same Hebrew word translated 'violence' in Genesis 6:5. It refers to 'cruel, unjust, oppressive violence'! Nothing could better describe abortion than these words!

The unborn, right up until the time of birth, are to be discarded as so much rubbish and trash. Antiquity tells us of childless woman-folk in Ancient Rome who would have been seen searching the city's rubbish dumps in the early dawn, hoping to come upon a living baby cast there by one who did not wish to have the burden of raising it.

The mindset, the mentality, the morality of those pagan days, when life was considered worthless, has returned to this world and has found an abode in Ulster, thanks to the McGinns of this world!

Let it be known that such abominations will not be tolerated or ignored by the God of Heaven! The end that came upon those heathen and pagan societies of old which embraced such darkness, should serve as a clear warning of what lies ahead for any nation today that returns to such darkness.

In light of that, it is little wonder we see the 'ship of state' heading for the rocks of national, political and commercial disaster and ruin, given that is governed by such as endorse and embrace that which it is embodied in this legislation about to be unleashed upon us!

Ivan Foster.

20th October 2019.
