Press statement from the Presbytery of Ulster

At the Annual General Meeting of the Free Presbyterian Church of Ulster on 7 September 2007 it was agreed by an overwhelming majority of members that all Presbytery offices should remain as at present for the remainder of this calendar year.

In January 2008 all offices will be vacated. Dr Paisley has indicated that he will not be standing for the office of Moderator of Presbytery.

Ministers and elders left the meeting united, determined to go forward to spread the Gospel of Jesus Christ and continue to contend for the faith once for all delivered to the saints.

Rev. Ron Johnstone (Deputy Moderator).
